Company Profile

We are a Pune-based startup focused on IT Quality Assurance (QA) solutions, providing high-quality services across various sectors, including finance and e-commerce. With experience in software testing, we've successfully supported over 20 projects for startups and modern businesses.

Additionally, we offer training and job opportunities to individuals with career gaps, helping them rebuild their careers. By collaborating with skilled teams and technology experts, we aim to enhance our capabilities and establish ourselves as a trusted global QA partner.

Our Top Clients

- > **Electronic Payments Inc.**, USA- Table Turn, MSC 2.0, Pro-Charge, POS, Micros, EPI Commerce
- > **Mainintel**, Canada- Wevend
- > **Alpaca Assessment**, Ireland- Junior and Senior Infants assessments and teachers dashboard
- > **MAHR edv (EOV)**, Germany - Security Testing Application.

We are Partners with
Katalon & ITB
(Indian Testing Board)
